Ahh, fall. It's a time of year filled with cozy blankets, changing leaves, and pumpkin spice everything. And even for people who don't get to see the trees shake off their greenery, there's still a certain vibe in the air. Everything feels slightly crisper and cooler. It's a season for retreating and nesting — and what better way to do that than with some new, fall-friendly cannabis products that also happen to be très chic?

That's right, Weedmaps News scoured the scene to unearth the brands, companies, and items changing the cannabis world as we know it. Whether it's the most buttery, [hemp-based jeans](#) you'll ever try on or the sleekest notebooks for all your recordkeeping needs, these cannabis products are perfect for the consumer who prioritizes style and cool above all else.

## Kaneh Co. — Red Velvet Cookies

Red velvet cookies are among the tempting edibles baked by San Diego-based Kaneh Co.
